Lodging & Food

During the Summit Gauley Season four options are available for lodging and food. Options range from groups bringing their own tents and food (similar to any weekend camping outing) to troops bringing only their personal gear with dormitory style lodging and dining hall meals provided. Lodging and food options are selected by the group, not the individual. Groups utilizing Summit housing (Tents or Dormitory) must utilize dining hall meals. See details on reverse side.

Check out the reverse side for a complete menu of options!
